

THE MOMENTUM GRANT PROGRAM

OUR MISSION: *To provide an opportunity to athletes to participate in Momentum Volleyball Club by assisting them to achieve their full potential through the promotion of leadership, teamwork, friendship, character, goal setting, and self-discipline, regardless of their ability to pay*

Momentum Volleyball Club's grant fund (the "MVC Fund") was created to give all volleyball players the opportunity to play volleyball with Momentum Volleyball Club, regardless of their ability to pay. Momentum Volleyball Club raises money through contributions to the MVC Fund and the sale of sportswear and other items. Money that is allocated or donated to the MVC Fund is applied to player accounts (a) as one or more grants to applicants who have timely submitted an application, demonstrated a financial need, and been selected to receive a grant by the Momentum Volleyball Club Board of Directors (the "Board"), and (b) in connection with the Club's volunteer work program.

MVC Fund Grant

MVC Fund grants are (a) awarded by the Board in September of each year, and (b) determined by the Board in its sole discretion. Grants will only be awarded to those candidates who (a) have applied on time for a grant and have demonstrated a financial need and (b) agree to participate in the Club's volunteer work program for a set number of hours during the Club season (determined, in part, by the size of the grant awarded to the candidate). Applications will be available online by July 1, 2020 and should be submitted to the MVC Fund, c/o Momentum Volleyball Club, no later than August 28, 2020. Grant applications received after August 28, 2020 will be excluded from consideration by the Board of Directors.

The Board will review applications and subsequently determine grant awards, if any. Applicants will be notified of the determination with respect to their application by no later than September 30.

PLEASE NOTE THAT FAILURE TO SUBMIT THE GRANT APPLICATION ON TIME WILL RESULT IN DISQUALIFICATION OF THE APPLICATION FROM THE REVIEW PROCESS.
